Kids' Kingdom

Fire engine, water games, giant guitar and the gigantic marble run: thve Deutsches Museum's new Kids' Kingdom is a paradise for children between the ages of 3 and 8. No one will get bored here!

1 LEVEL

Historic Aviation | Musical Instruments | Chemistry and more

Here you can find the famous Aunt Ju. But you can also listen to the organs in the *Musical Instruments* exhibition or let it rip with experiments in *Chemistry*.

2 LEVEL

Astronautics | Image – Script – Codes | Mathematics and more

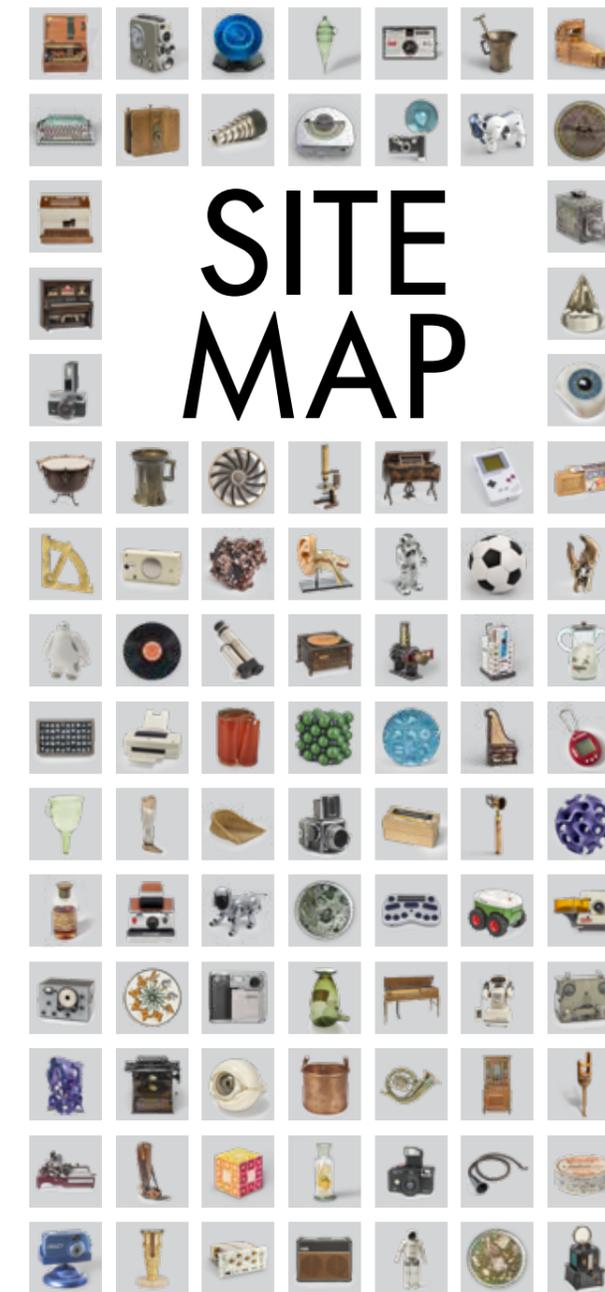

In *Astronautics*, you can follow the race into space – and marvel at cipher machines in the exhibition *Image – Script – Codes*. Or solve your own riddles in *Mathematics*.

3 LEVEL

Health | Agriculture and Food

The giant human body in the *Health* exhibition is an experience in itself – as are the cornfield cinema and the tractors in the *Agriculture and Food* exhibition.
